PanaVerse Assginment

Question#04:

Solution:

Step#01:

What we need(Requirements):
1. A person's name.
2. Display that person's name along with its quote.

Step#02:

Let's do code.

Code:

```
console.log(
  'Shiekh Atif Ahmed once said,"Failure is nothing it just to train you that
how you will defeat your bigger challenges in future."'
);  //Display Author & his quote.
```

Step#03:

 Let's run the code.
Output/Result:

C Compiler ...

cmd

```
C:\Users\HP\Desktop\MetaVerse_Q1\Question04\Question04_Code>tsc

C:\Users\HP\Desktop\MetaVerse_Q1\Question04\Question04_Code>node question04.js

Shiekh Atif Ahmed once said,"Failure is nothing it just to train you that how
you will defeat your bigger challenges in future."

C:\Users\HP\Desktop\MetaVerse_Q1\Question04\Question04_Code>
```
